SUMMARY

Dedicated web developer with expertise in Typescript, CSS, and HTML.
Committed to using my knowledge of web technologies to build websites that are both aesthetically pleasing and easy to use.Persistently working to gain new talents and improve existing ones through practice.
In the interest of contributing to your business and becoming a part of a motivated team with high standards.

EXPERIENCE

Web Developer
Pluxbox

04/2021 - 09/2022
Hilversum, NL

- Co-supervised a four member team with the goal of creating websites for radio stations all over Europe.
- Developed multiple challenging Front-End DOM structures, such as an Electronic Program Guide and a Radio Rundown.
- Connected intricate systems with the logic of the expanding platform using Typescript, Node.js and APIs.
- Assisted in the development of the company's website, in the pursuance of engaging with more clients, by creating a client intake form and implementing cookies.

Intern Web Developer
Pluxbox

10/2020 - 04/2021
Hilversum, NL

- Gained traction with core web development technologies such as HTML5, CSS3, Typescript.
- Utilized the Scrum and Kanban Agile Frameworks to follow the project management process.
- Aligned with the code management flow using Git.
- Strengthened analytical skills in anticipation of the preset deadlines.
